Dear Mr. Francks:

The Division of Oil, Gas and Mining is in receipt of a copy of your proposal for the above referenced operation. As proposed, this operation qualifies as a Declaration of Exemption under the Utah Mined Land Reclamation Act.

However, should you anticipate expanding your operation beyond the two (2) acre limitation for surface disturbance, please advise this office at least six (6) months prior to expansion to allow sufficient time to process your permit application and mining and reclamation plan according to State statutes and regulations.

Should you have any questions or require assistance, please call.

Sincerely,
